Re: Public Comments regarding Tarrifs

Changemakers Cricket Club is a registered organization with registration number 176-911NPO. Sport Development is our passion and goal we strive towards. We discovered the need of cricket amongst the youth in Riviersonderend and started with street cricket since 2013. We established Changemakers Cricket Club in 2015 as would like to develop sport in our community.

Our biggest challenge we facing are the following:

Tariffs of the Community Hall as per newly rates as per Special Counil Meeting 28 March 2018 page 247 of Riviersonderend read below:

Deposit – R1500-00

Dances - R850-00

Concerts- R450-00

Selling of Liquor on premises- R850-00

Sport Acivities and Events – R900-00

Kitchen: R280-00

In fine line below read:

It should be noted that should the use of any Hall be required between the hours of 00:00-05:00 2x all the relevant tariffs(incl breakage deposit). This implies that the above tariffs is only applicable between 05:01-23:59

To host dances until midnite is not worthwhile, cause we only pay expenses for the hall, there are not actually an income & profit margin for organizations.

Comment of Organization:

Office of the Speaker, we need to keep into consideration that this is a public Community Hall and not a Private Municipal Community Hall. The rates are increasingly high, we also need to take into consideration that the standard and quality of the community hall as well.

The Community hall neither have a sound system in, overhead projector, blinds for the windows, Security personnel after hours, but we as organizations need to pay these highly tariffs.

My request in kind is that all tariffs decrease with 50%, in order for all community organizations on the database of Theewaterskloof for Ward 1(only) to benefit.

Tariffs of the Sports Complex as per newly rates as per Special Council Meeting 28 March 2018 page 264 of Riviersonderend read below:

Events – R1500-00 (Deposit)

Event: R500-00

Rugby Season package: R3600-00

Cricket Season Package: R2600-00

Score Facilities:

Deposit : R500-00

Match per day : R100-00

Practise: R20-00

Comment of Organization:

Once again at the sport complex are newly development project, vandalism increased in every town, this is reality facts. Therefore security are needed.

Solution: We have former Army Veterans in town, almost 35 which one member are PSIRA Registered and they are locally based. TWK can make a donation to look after the venues

My request that all practises needs to be free under Supervision.

All Sport tariffs as mentioned above for sport to decrease by 50%.

I do trust that Theewaterskloof Municipality find the above in good health and development spirit. An overview with regards to the Community Hall and Sports Complex are important, especially the Pavilion, which are very risky, and anyone can be hurt sooner or later.

We trust to hear soonest from your Office.

Kind Regards.
